### **GREETINGS TO ALL OUR SOUTHERN PEOPLE**

For the last year we have witnessed many states, for example Georgia and Florida and even Pennsylvania that have passed legislation to correct apparent corrupt voting procedures that occurred in past elections. The liberal socialist democrat will not acknowledge possible corruption in the election system that they have successfully managed for many years to their best interests. They feel no obligation to tell the truth because they will never be held accountable anyway, no matter how big the lie or how dangerous the consequences. The most abominable lie is the national message that compares any effort to strengthen voter ID to “Jim Crow”.

The big event in Alabama for the month of May was the midterm primary elections on May 24. Alabama has 3,638,986 registered voters comprised of approximately 75% republicans and 25 % democrats. The Alabama government is a super majority of republicans (and RINOS) and all the state level offices are filled by republicans. The midterm primary election voter turnout was 849,733 for 23.35% of total voters.

This resulted in several runoff elections scheduled for June 21 since not one candidate of a specified office accumulated over 50% of the votes cast. This is a very low pitiful voter turnout

and gives a candidate with “dark money or PAC backing “a more likely possibility to win an election than with a voter turnout of 70-80% that would more fairly represent what the people really want. It is the height of hypocrisy to complain or whine about what is happening in our governmental bodies and not use your vote to express your disdain and create change. Without a doubt the Empire is totally divided. How can there be unity when our enemy on the other side stands for our total demise and daily states so with their lapdog, the media, and applauded by the bully pulpit of the Empire. The difference in the divided Empire is a simple concept to explain. It all comes down to the will of the people. When God created Man, He gave them something very unique. Man received a free will, so that he could make his own choices according to his own free will. If Man desires to incline toward the good way and be righteous, he has the power to do so, and if he inclines toward unrighteous ways and be wicked, he also has the power to do so. God did this so Man could freely share in God’s love and to enjoy or suffer the consequences of his choices.

Our enemy has no concern for social order so then their citizens do not either and they burn down the democrat’s cities, no concern for rule of law so then their citizens do not either and randomly commit evil in the communities, has no compassion for victims of evil and even allows the perpetrator back on the street with a hug, forces their failed policies on us even in the face of their own disastrous results in gun control in Chicago, homelessness in LA, and while they are above it all and blaming us for all the resulting social problems. This is not hard to fathom. The will of the people dictates what kind of neighborhood they will have, whether fair or unfair, order or disorder, lawful or unlawful. What do we stand for??

We are no longer “One Nation under God”. There is no POSSIBLE UNITY with our Southern people and Satan’s children. Do we simply have the will to see this though or just become a remnant of God’s chosen people AS IN THE PAST. I am tired of pretending to be LESS WHITE. We made this country. Let’s act like it.

**Since the beginning of time all Empires have fallen when the people that built the Empire disappear.**

## **CHAPLAIN**

We request from all our friends and supporters a special prayer for Jimmy Brown, Joan Askew, James Paige, Jan Law, Christian Ryals, Elaine Rybczky, Otis & Amy Hughes, Gene Kelly, Korinthia Massey, Melissa Hudson, Patty Regan, William Black, Jennie Ellison, Kim Black, Ashley Brown, Murphy Mosely, Joe and Ann McDaniel, Cecil Williamson, Clifford Willoughby, Jim Myrick,

James Smith, James Carpenter, Marie Lilas, Ryan McCleary, Mike Andrews, Everette Peryea, Lisa Fortner, Leigh Haynes, Rick Ritchey, Wilson Young, Donnie Stearns, Randy Johnston, Jimmy Duke, Francis Horton, and Gloria Fowler. **The Lord knows that we need to help all those standing in need and pray for the healing of our minds and bodies.**

For our May 19, 2022 monthly meeting we had two great speakers. Chadwick Smith, running for election to the Alabama House District 31 on Christian conservative political objectives if elected, was our first speaker. The SCC had endorsed Chad for the House District 31 office but he was defeated by a well PAC funded established republican in the May 24 primary election. Chad is a great family man, Southern Christian, honest, and he will be around again. Chad is the new Southern Christian blood we need representing us in the Montgomery swamp. Todd Kiscaden gave an up-to-date and detailed analysis of the invasion of Ukraine and the involvement of the Empire going back to 2014. Most probable outcome will be a treaty with Russia and a new communistic government will be installed.

**June 19 is Father's Day** (Deuteronomy 1:29 The LORD your God carried you, as a father carries his son) Parents make important decisions for their families during their lives. The father plays a very important role in shaping the ideology of the family. A good father makes choices to direct the families to orient their lives around God and our Southern heritage and culture.

**Honor and love both your heavenly Father and your earthly Father.**

**Our monthly meeting will be held on June 16 6-8pm and our guest speaker will be Rick Dorley, Pastor of the Westside Independent Baptist Church and Chaplain of the Sons of Confederate Veterans Tallassee Camp 1921. Pastor Dorley will speak to "The biblical role of our Fathers in the family unit". You do not want to miss this presentation.**
